givejedahand The #doorbell #CAMH #Downtown #West formerly #Archway #Clinic - for #complex #mental illness formerly #schizophrenia but who knows they're #playingwithwords - #notice? it #doesntwork! #broken! #QueenWest #Jameson #Parkdale #Toronto #streetsoftoronto #streetphotography Also notice some #wag named Mark's #graffiti: #SCAMH #Rings #True. Clever! #CAMH's website associates #complex #mental #illness with "#contact with the #law" - #stigmatizing hideously euphemistic. #CAMH #CAMHFoundation #FUBAR
